## Accessory of the Month

### DARNING FOOT #9

The BERNINA Darning Foot #9 is a versatile presser foot designed for free-motion techniques such as darning, free-motion quilting, and creative embroidery. Its spring-loaded design helps hold the fabric securely while allowing you full control as you guide your work by hand.

This foot is ideal for adding texture, outlines, stippling, and decorative stitching to quilts and other projects. The open shape provides good visibility of your stitching area, making it easier to follow designs and maintain consistent stitch placement.

Whether you're repairing worn areas, quilting with free-motion patterns, or exploring creative embroidery, the Darning Foot #9 offers smooth fabric handling and reliable results. It's a valuable addition for sewists who enjoy expressive, hands-on sewing techniques.
